Sidi Bel Abbès, Algeria

SUMMARY

Computer Science graduate student specializing in Networking and Security, with hands-on experience building scalable web applications using React and TypeScript. CTF competitor with practical cybersecurity skills and a strong foundation in deep learning and Linux systems administration. Actively seeking opportunities to contribute to impactful software and security projects.

TECHNICAL SKILLS

Frontend: React.js, TypeScript, Redux, Tailwind CSS, Responsive Design, Figma
Backend & Tools: Node.js, Express.js, Git, GitHub, Docker
Languages: Python, JavaScript, Java, C/C++, Bash, SQL
Operating Systems: Linux (Arch, Ubuntu, Kali), Windows
Cybersecurity: CTF Competitions, Network Analysis, Linux Hardening
CS Fundamentals: Data Structures, Algorithms, Deep Learning, Agile Methodology

WORK EXPERIENCE

Frontend Developer <i>Lawdz – Labeled University Startup</i>	Oct 2024 – Present Sidi Bel Abbès, Algeria
- Built responsive user interfaces using React.js and Tailwind CSS, improving UI consistency across all device sizes - Collaborated in an agile team to design, plan, and ship core product features from ideation to deployment - Optimized component rendering and reduced unnecessary re-renders, improving frontend performance by ~30% - Contributed to launching the MVP; startup was awarded an official label by Djillali Liabes University	

PROJECTS

E-Commerce SaaS Platform <i>React, Node.js, Express, MongoDB</i>	2025
- Developed a full-stack e-commerce platform with product management, cart, and payment integration - Implemented JWT authentication and role-based access control for admin and customer users	
Network Security Analyzer <i>Python, Scapy, Wireshark</i>	2025
Built a packet analysis tool to detect anomalies and potential intrusion patterns in local network traffic	

CERTIFICATIONS & ACHIEVEMENTS

NVIDIA Deep Learning Certificate <i>NVIDIA Deep Learning Institute</i>	2024
English B1.1 Certificate <i>CEIL – Centre d'Enseignement Intensif des Langues, Université Djillali Liabes</i>	2024
CTF Competitor <i>Participated in 2 Capture The Flag competitions (cybersecurity)</i>	2024–2025

EDUCATION

Djillali Liabes University <i>Master's in Computer Science – Networking & Security (M1)</i>	Sidi Bel Abbès, Algeria Sept 2025 – Present
Djillali Liabes University <i>Bachelor's in Mathematics and Computer Science</i>	Sidi Bel Abbès, Algeria Sept 2022 – June 2025

LANGUAGES

Arabic: Native **English:** B1.1 – Intermediate **French:** Intermediate
